## welcome

to the **South Point Education**. It is an academic institution characterized by its distinguished leadership and faculty members. The aim of the administration at South Point is to achieve excellence in teaching and learning and thus make it a premier institution of its kind in the shortest possible time. To achieve this goal, the administration of the college spares no effort to hire highly-qualified and motivated human resources.

We, at South Point, aim at balanced and well-developed graduates who are ready to embrace the challenges of the future competitive world. For this purpose, the college has many clubs which provide them with a platform to apprehend their potential and polish their talent by actively engaging in various activities organized by these clubs.

Our aim is to equip the students with all those skills needed to successfully and efficiently serve their community and contribute to the progress of the nation.

Dear All

Greetings!

It gives me infinite pleasure to welcome you all to the South Point Education. South Point Education has institutionalized 'Seek, Share & Serve' as its motto for a continued search for knowledge of information, and share the received wisdom with the community to serve the mankind selflessly. Every marble piece has within, certain unwanted parts, needing to be chiseled out by its maker, before being sculpted into a beautiful state. South Point over the past decades, is the pursuit of this noble mission to help mould the blossoming minds. We have diligently developed our academic philosophy by laying great emphasis on the pursuit of knowledge, its application and skills to help in its dissemination. Our underlying philosophy is to create new benchmarks by incorporating new initiatives in the field of education through modern and innovative teaching and learning methodologies.

South Point knows no bounds in knowledge and realizes that the margin fades forever and ever, as it moves. But within its boundaries, the disseminated knowledge embodies the spirit of inquiry, research and quality. Our search is incessant, our service is ceaseless and our perseverance untiring. Imparting right knowledge, enhancing wisdom and creating distinctive individuals, is our pursuit. Today, we stand in the threshold of a new era-an era empowered by 'knowledge economy'. Even as we prepare to ride the waves of change, our foundations are built on a solid rock, firmly anchored on the strong life principles. South Point prides itself in not only starting an institution imparting life's latest know-how but also instilling human core values.

We are extremely thankful to the well-wishers for their unflinching support.

Warm regards

Dilbag S. Khatri

“The woods are lovely dark and deep,  
But I have promises to keep,  
and miles to go before I sleep,  
and miles to go before I sleep...”

Dear All

Undissembled Greetings !

Convivial welcome to the South Point Education. It is an honour to serve as the Vice Chairman of this accoladed institution. Our mission is to foster a nurturing and stimulating ambience where every student is encouraged to achieve their fullest potential. We are committed to providing a holistic education that balances academic excellence with personal growth. By cultivating critical thinking, creativity, and a lifelong love for learning, we prepare our students to become responsible, compassionate, morally upright, socially fit, and innovative global

citizens. We strive to create a dynamic and inclusive learning environment where diversity is celebrated, and every student feels valued and empowered.

As we look towards the future, we remain steadfast in our commitment to excellence and our unwavering belief in the power of education to transform the world.

Warm regards  
Rohit Khatri

# shape your academic & professional career

## Faculty

We have highly-experienced and well-groomed faculty ready to enlighten the students with their wisdom and innovative ideas.

## Infrastructure

We have well-built infrastructure with all the facilities to provide the best ambience for a fruitful learning.

## Curriculum

We have latest updated curriculum which is framed keeping in mind the high standard of teaching to make the students responsible engineers, who can lead the world.

## Co-curricular Activities

We provide a plethora of activities for the overall development of the students. We provide them real opportunities to excel in life in addition to spending their time in labs and library.

## Grooming Leadership Skills

We believe in shaping the future of students and making them genNXT leaders. So keeping this in mind we give our students the onus to shoulder great responsibilities and emerge as the successful leaders.

# Department of Computer Science Engineering

Computer Science Engineering deals with design, implementation, management of information system of both software and hardware processes. A computer scientist specialises in the theory of computation and the design of computational systems.

Computer Engineering or Computer Science Engineering integrates several disciplines such as Information Technology, Electrical & Electronics Engineering, Software Design etc. The engineers are mainly involved in the development of the software & hardware systems of the various aspects of computing. The engineers not only focus on how computers work but also integrate into larger scheme of things.

Amongst all the engineering branches, Computer Science has been found to be the most popular choice of the students.

## Core Subjects

Computer Architecture

Enterprise Resource Planning

Cloud Computing

Java Programming

Big Data

Scientific Computing

Artificial Intelligence

Software Engineering

Android

Networking

Data Science

Multimedia Applications

Neural Network

Cyber Security

## Courses Offered

MCA,

BCA

M.Tech.

M.Tech. (Part Time)

B.Tech. / LEET

Diploma in Engineering / LEET

# Department of Electrical Engineering

Electrical Engineering refers to electrical machinery, problems of generation, transmission and distribution of electrical energy, electrical controls in factories, motors and their control and transformers. One of its objectives is to provide electrical power to customers.

Electrical Engineering relates to the problems associated with large-scale electrical systems such as power transmission from powerhouse to the load. It also deals with electrical appliances and their control.

## Core Subjects

Electrical Machines

Switchgear Protection

Electrical Drivers

High Voltage Engineering

Power System Analysis & Control

Power System Protection.

Electromagnetism

Signal & System

Robotics

Digital Electronics

Micro Processor

Circuit Analysis

## Course Offered

Diploma in Engineering / LEET

## Department of Mechanical Engineering

From the law of Buoyancy developed by ancient Greek engineer & scientist Archimedes to modern inventions like Thomas Savery and James Watt's steam engine which started the Industrial Revolution, mechanical engineering has been pivotal in science and evolution, not to mention in the way we live. Mechanical Engineering includes design, manufacture, installation and operation of engines, machines, robotics, heating & cooling systems & manufacturing processes.

### Core Subjects

Statics & Dynamics Control  
Thermodynamics and Heat Transfer  
Fluid Mechanics  
Machine Design  
Strength of Materials  
Material Science and Theory of Design  
Aerodynamics  
Computer Aided Design (CAD)

### Courses Offered

B.Tech. / LEET  
Diploma in Engineering/LEET

## Department of Civil Engineering

From as long ago as Harappa, Mohenjo-Daro, ancient Egypt and Mesopotamia, Civil Engineering is the oldest and broadest engineering discipline. Civil Engineers play a vital role in creating the man-made environment and protecting the natural environment. For being a successful civil engineer, you must be willing to relocate as the projects can be at far flung places.

### Core Subjects

Surveying, Strength of Materials  
Building Technology  
Structural Analysis & Design  
Design of Hydraulic Structure,  
Architecture and Town Planning  
Auto CAD  
Foundation Engineering  
Project Management  
Highway Safety Engineering

### Courses Offered

B.Tech. / LEET  
Diploma in Engg. / LEET

# Department of Electronics & Communication Engineering

This field focuses on developing components such as transistors, integrated circuits and printed circuit boards (PCBs). These are used in everyday devices such as computers, Mp3 players, cell phones, television and washing machines. The invention of the Transistor in 1948, the IC in 1960 and the Microprocessor in 1969 revolutionised Electronic Engineering, and enabled the development of the personal computer (PC).

## Core Subjects

- Electromagnetic
- Electronics Devices & Circuits
- Micro-processors and Embedded Systems
- Electrical Circuits
- Electrical Machines
- Signals and Systems
- Digital Signal Processing
- Communication Systems
- Optical Systems and VLSI

## Courses Offered

- M.Tech.
- M.Tech. (Part Time)
- B.Tech. / LEET
- Diploma in Engineering / LEET

# South Point P.G. College of Education

Approved by NCTE, New Delhi, Affiliated to Ch. Ranbir Singh University, Jind

The institution with extensive infrastructure in place including a spacious campus, learned professors and a fully equipped library and labs does invaluable service to the country in the field of higher education. There are ample opportunities as well as infrastructural and logistical facilities for undertaking research in the areas of arts and sciences. Plans are also underway to introduce new courses catering to new areas of knowledge. To ensure holistic development of the students, the institution has a large playground, Rovers/Rangers as well as regular co-curricular and extra-curricular activities. Bringing together the diverse disciplines of higher education, imbued with the spirit of character-building and nation-building the institution aims to create disciplined, motivated and creative citizens of tomorrow.

## Programmes Offered

B.Ed. Teacher Education Programme

M.Ed. Teacher Education Programme

D.Ed. / JBT. Teacher Education Programme

B.P.Ed. / Bachelors of Physical Education

## Facilities

Education Technology Lab.

Language Lab.

Games, Sports and Health Service

# South Point College of Law

Approved by the Bar Council of India, New Delhi & Affiliated to MDU, Rohtak

South Point College of Law is a community of Students & Staff dedicated to bringing out the best in all of its members. Our aim is to provide the finest opportunities & environment for teaching, learning & research. We have a distinguished record of academic excellence and innovation since the foundation of the college.

The basic principle behind the foundation of Law College was to establish a regularized system of imparting legal education. Staying true to it, we have endeavoured and achieved this ambition and maintained our standards of excellence. Ranked amongst the top Law Colleges in the Country, we believe in creating a relaxed and flexible environment to allow students to grow and develop at their own pace.

Our education system includes classroom teaching, online and offline research & social service activities, Moot Court, Legal Aid, Legal Service, Programs of Social Importance.

## Facilities

- E-Library
- Computer Lab
- Moot-Court Hall
- Sports Activities
- Cultural Activities
- Common Room
- Legal Aid
- Wi-fi Campus

## Courses Offered

- B.A. LL.B. (Hons)
- LL.B. (Hons)
- LL.M.

## South Point Degree College

Affiliated to MDU, Rohtak & (Approved by  
Department of Higher Education Haryana)

The campus is located in the heart of the  
city and is very near to the City Railway  
Station and Bus Stand. The college runs  
Degree Courses (Arts, Science and  
Commerce). The faculty members are  
well-qualified, experienced & motivated.

## Facilities

The Grievance Redressal Cell  
Career Guidance Cell  
Health Centre

Computer Lab.  
Science Lab.

## Courses Offered

B.A.  
B. Com  
B.Sc. (Non-Medical)  
B.Sc. (Medical)  
PG Diploma (Yoga Science)  
M.A. Hindi  
M.A. History  
M.A. English  
M.A. Political Science  
M.Com  
M.Sc. Physics  
M.Sc. Chemistry  
M.Sc. Maths

# Department of Management Studies

The two year full time MBA programme is covered in four semesters. During the first two semesters, the students are exposed to the basics of general management underlying different operational functions of corporate management through core subjects. In the third semester, the students are permitted to choose electives suitable to their personal interest leading to specialization in any functional area of management viz. Finance, Marketing, Human Resources, Operations and Systems.

On completing the second semester, the students are placed in industrial and professional enterprises for practical training with a view to get them exposed to corporate realities and try their hand in assisting the management in their various decisions. Besides assisting them in their policy implementation and execution process, the students are undergoing another project assignment in reputed industrial concerns during the fourth semester. It provides them ample scope to understand the intricacies of management in the real life situations.

## Course Offered

MBA with Dual Specialization

BBA

## Specialisation Offered

Finance

Marketing

Human Resource

International Business

Information Technology

Operation Management

# South Point College of Pharmacy

Approved by PCI, New Delhi & Affiliated to Haryana State Board of Technical Education & Pt. B.D. Sharma University of Health Science, Rohtak

South Point College of Pharmacy has been established under the aegis of Mange Ram Educational & Charitable Trust (Regd.) with the objective of providing quality education to the next generation pharmacists.

Situated in the heart of Sonapat city at a distance of about 2 km from the City Railway Station and Bus Stand, the college is well-connected by public transport. It is also on the Metro route that is in the process of being constructed.

The college is equipped with modern and state-of-the-art facilities. The faculty members are well qualified, experienced and motivated. In brief, South Point College of Pharmacy provides an integral, inter-disciplinary education that is a unique blend of theory and practice, ensuring it constantly maintains a high standard of Pharmacy education.

## Courses Offered

B.Pharmacy / LEET

D.Pharmacy

# South Point College of Nursing\*

Approved by the Indian Nursing Council, New Delhi & Aff. to Pt. B.D.Sharma University of Health Sciences, Rohtak  
Nursing is a dynamic profession that is scientifically based and is influenced by advances and innovations in science and echnology as well as the emerging trends in society and health care delivery system. Nursing as a profession makes definite contribution to human welfare that includes promotion of health, prevention of illness, alleviation of suffering, care of sick, counseling and rehabilitation. The South Point College of Nursing, Sonipat strives for the personal and professional growth of students. The faculty motivates and prepares the students to be future nurse clinicians, administrators, educators and researchers to impart high level of performance. The UG programme in nursing would emphasize to use cognitive(thoughtful), affective and psychomotor skills in the concerned specialties meeting the health needs of individuals, families & communities and stimulate students to study in various branches of nursing.

## Courses Offered:

B.Sc. Nursing

## Facilities

- E-Library
- Computer Lab
- Nursing Foundation Lab.
- Audio-Visual Room
- Common Room
- Community Lab.

# South Point School of Medical Laboratory Technology

South Point offers a Diploma in Medical Laboratory Technology. It's a three-year/two year full-time course affiliated to Haryana State Board of Technical Education, Panchkula.

South Point is one of the pioneers and leading institute in Sonipat, Haryana, set with high standards and values to learn and practice Lab Investigation with a pure vision. This institute provides qualified and experienced staff, good Library and Laboratory facilities. We are committed to provide good laboratory exposure for hand-to-hand learning. We have environment friendly campus with bushes of green plants. It is a place where DMLT students can achieve extensively recognised and respected qualification. Through this distinctive academic's experience student develop exceedingly valuable leadership skills like global citizenship, intercultural intelligence, personal and social responsibility.

## Course Offered :

DMLT / LEET

# PLACEMENT CELL

We at South Point Education feel extremely privileged to have been able to provide manpower resources to drive the country's growth engine.

The Placements, both for final jobs and Summer Internships are an integral part of any Institution's annual calendar of activities. South Point has a well laid-out systematic process of meeting students career aspirations and corporate expectations. The Placement department functions as a bridge between the Institution's Schools, Industries and Students. The Placement activities are for the students and by the students. The process is transparent and commences with the uploading students profiles on placement portal.

The leading companies from all sectors are invited by the Placement Department on the campus, where the eligible students are facilitated to go through the entire selection process. The entire process is governed by the student's ability and performance, as well as the requirements and norms of the Industry.

## Objective

- To sharpen the managerial and creative talents inherent in our students.
- To unleash their education in an environment this brings in professional values and inculcates modern attitude.
- To develop analytical skills to make key strategic decisions in an increasing complex corporate environment .
- To develop the best learning process using a comprehensive understanding of industry's best practices .
- To establish long-term relationships with the companies.

## South Point Public School

Situated at Sec 20, Purkhas Road, Near Sugar Mill, Sonipat

Affiliated to CBSE, New Delhi provides education upto Sr. Sec. Level in all Streams i.e. Science, Commerce & Arts.

The leading school in the North-Eastern region of India, South Point Public School is a progressive and growth-oriented co-educational institution, imparting 21st century skills to a diverse and inclusive student body.

The school prides itself in its role as a learning hub – with a strong cosmopolitan culture, safe and secure-environment, high happiness quotient, well-trained teachers, student teacher ratio and modern infrastructure – geared to deliver CBSE curricula, adhering to the best standards.

Vision and Mission of the South Point Public School are focused on nurturing the individuality of every student. Our pedagogy is geared towards facilitating the self actualization of the students. Pupils of the South Point are provided with ample opportunities to grow and evolve to the best of their potential with academics and co-curricular activities given equal weightage at every level. The curriculum framework rests on the principles of collaboration, critical thinking, research, skill development, and effective communication.

The teaching faculty comprises carefully selected professionals with a passion for their vocation and desire to create and implement some of the most effective pedagogical practices in the world of education.

The Board of Governors, consisting of the members from the parent body, actively help in shaping policies, implementing and reviewing processes in the school, to aid the efforts of the staff. South Point Public School believes in the potential of every individual and is committed tirelessly to the task of helping every child evolve into passionate, dedicated, persevering, open minded world citizens of the future.

## South Point World School

Affiliated to CBSE, New Delhi & provides education up to Sr. Sec. Level in all Streams i.e. Science, Commerce & Arts.

Aiming for ICSE affiliation

Get set to change the way you look at schools. South Point World School offers the globally accepted 'A'level qualifications from Nursery to Class 12. It is the largest CBSE affiliated school of Sonapat and is also a gateway to a global learning community.

While emphasizing the key milestones of education, South Point World School, encourages young minds to focus on their strengths. This is most evident in the Advanced Level Qualifications (A Levels) that allow in depth specialization by balancing knowledge and skill. We also believe in letting actions speak louder than words. Testifying to the quality of our international education delivery is the fact that our students have been admitted to reputed colleges and universities.

## South Point International School

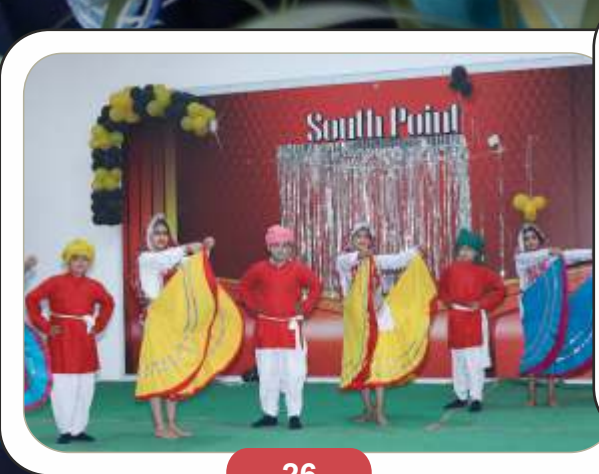

Affiliated to CBSE, New Delhi provides education up to Sr. Sec. Level in all Streams, i.e., Science, Commerce & Arts.

At Ratangarh, Sonipat, we fully value the importance of the learning environment. The very best of an ideal learning habitat has to be complemented with open infrastructure and resources. South Point combines these facets for learning with our classrooms deftly crafted and designed as per the students' requirement. The structure has been designed to suit the learning needs of specific grades, facilitated by interactive, innovative and inclusive teaching aids. Marked spaces for experimental learning, creative arts, reading and literary material add on to the positive learning environment. The whole aura makes student involvement, inquiry and conceptual learning to the very core.

# The Flag of Knowledge Flies High @ South Point

## Prominent Features :

- State-of-the-Art Infrastructure
- Sylvan, Sequestered & Serene Setting
- Trained, Experienced & Conscientious Teaching Fraternity
- Focus on every child as an individual
- Well-equipped Science, Maths, Geography, Computer Labs
- Safe and secure learning environment
- A spacious building with spacious playing arenas
- Ideal Teacher : Pupil Ratio
- An inspiring international curriculum
- Well-furnished Digital Libraries
- High-Tech. Language Labs
- Child-centered education
- Luxurious Transport facility
- Concept-based teaching-learning process
- Innovative and farsighted board of governors
- Supervised homework completion facility
- Indoor-Outdoor games
- Fun Zone for kids
- Magnificent & Spacious Auditorium
- Aesthetically designed & equipped Music Rooms & Activity Halls
- Gamut of scholastic and co-scholastic activities
- Outdoor Training programmes
- Personalized guidance and counselling

## QUALIFIED COACHES FOR SPORTS

# Infrastructure & Amenities

## LIBRARY

The School Library is the hub of intellectual activities and is rich in reading material and reference resources, which provide information and ideas that are fundamental to functioning successfully in today's information and knowledge-based society.

## MATHS LAB.

Maths Lab. provides opportunity to children to enjoy Mathematics, understand its basic structure, pose and solve meaningful problems. It enables the students to learn Mathematics with the help of concrete objects and to exhibit its relatedness with everyday life.

Learning and exploring  
Mathematical concepts

## LANGUAGE LAB

Providing practice in an entertaining and interacting way to develop and whet four basic skills of language :

LISTENING

SPEAKING

READING

WRITING

## VALUE EDUCATION CLASSES

Value Education Classes are an integral part of our school where moral values are Instilled through different practices.

## SCIENCE LABS

South Point has extensive Science Labs (Physics, Chemistry & Biology) which provide an experimental foundation for the concepts introduced. Students enhance their learning by doing varied experiments which kindles their interest visually and kinesthetically. It also deviates them from rote learning and enriches their thinking ability and drawing skills. It enables the learners to familiarize themselves with experimental apparatus, scientific methods applied, and to make careful observations and draw conclusions in relation to the experiment.

## MONTHLY COMPETITIONS

Every month, Intra-Class, Inter-Class, Intra-House and Inter-House competitions are organised to provide a myriad of opportunities and a sound platform to the students so that they can give vent to their innate potentialities. These are a stepping stone for the students to achieve greater heights in life. The stage is further extended with the participation of the students in various Inter-School Competitions held in & across the city.

## COMPUTER LAB

Computer classes in schools are important for the well-rounded education. Students at South Point are instructed on the basics of computer use as early as in Class-I. Educational software is presented in a game-like format to entertain the younger students while they learn the key concepts.

## ART & CRAFT

In our Art & Craft Classes, the students are taught a variety of skills like-creativity, aestheticism, visual-learning, decision-making, perseverance, collaboration & accountability.

# adding a lot more than just knowledge to learning

South Point aims to inculcate the reading habit in children from the initial years of schooling. The vast Library Media Centre encourages inquisitiveness & passion for knowledge.

South Point has designed an integrated foundation programme (IIT/Medical) from Grade IX onwards that provides skills to crack competitive examinations confidently.

The teaching methodology adopted in the higher sections is proactive and ensures active participation of every student in the class.

Students are divided in groups based on their overall skills and are groomed for better results.

In the journey of knowledge,  
your child will dazzle the world with  
the colours of  
**extraordinary  
skills.**

# Co-curricular Activities

A journey of a thousand miles begins with a single step

## FIELD TRIPS

It allows students to have real world experience, which clearly illustrates and enhances the information taught in the curriculum. Field trips give a chance to experience hands on learning while being introduced to new environments.

Visit to the President House

Adventure Camp

## MUSIC

The Music Classes in our school, serve as a sound platform for creating the future musicians. It enables them to learn vocals, rhythm and pitch in singing & to use instruments like keyboard drums & guitar. It also helps to showcase their talent at various events and Inter-School & Intra-School Competitions.

## DANCE

Dance Classes ensure the development of kinesthetic intelligence, creating opportunities for self-expression and communication.

## CELEBRATIONS OF SPECIAL DAYS

Celebrations in South Point have become an indispensable part of joyful learning, community building and thought provoking processes.

# SPORTS

Inclusion of games in the our curriculum, is very important for the physical & mental well-being of the students.

## Dare to Dream...

The South Point -  
An institution with a difference, draws its  
essence from these basic values:

**ethics,**  
respect,  
**integrity,**  
**honesty** &  
Professionalism

# The driving force called bonding

South Point envisions to educate, encourage and inspire students in a positive environment. It works closely with the parent community to nurture students for the techno-savvy age that is revolutionising the world.

Conceptualised as a day school, it provides all the facilities to keep their interest quotient alive & sustained day-after-day throughout the year to pursue the course with undivided attention. The school ensures safety right from the moment they board the school bus. All the buses are provided with vigilant caretakers, who ensure the safe and joyful journey to and from school. Elaborate security arrangements are also made in the school premises. The gathering of students for Morning Assembly signals the beginning of the day long for the academic activities.
