South Point GROUP OF EDUCATION

Run By: Mange Ram Educational & Charitable Trust (Regd.)

WELCOME

to the **South Point Group of Education**. It is an academic institution characterized by its distinguished leadership and faculty members. The aim of the administration at South Point is to achieve excellence in teaching and learning and thus make it a premier institution of its kind in the shortest possible time. To achieve this goal, the administration of the college spares no effort to hire highly-qualified and motivated human resources.

We, at the South Point, aim at balanced and well-developed graduates who are ready to embrace the challenges of the future competitive world. For this purpose, the college has many clubs which provide them with a platform to apprehend their potential & polish their talent by actively engaging in various activities organized by these clubs.

Our aim is to equip the students with all those skills needed to successfully & efficiently serve their community & contribute to the progress of the nation.

shape your academic &
professional career

FACULTY : We have highly-experienced and well-groomed faculty ready to enlighten the students with their wisdom and innovative ideas.

INFRASTRUCTURE : We have well-built infrastructure with all the facilities to provide the best ambience for a fruitful learning.

CURRICULUM : We have latest updated curriculum which is framed keeping in mind the high standard of teaching to make the students responsible engineers, who can lead the world.

CO-CURRICULAR ACTIVITIES : We provide a plethora of activities for the overall development of the students. We provide them real opportunities to excel in life in addition to spending their time in labs and library.

GROOMING LEADERSHIP SKILLS : We believe in shaping the future of students and making them genNEXT leaders. So, keeping this in mind, we give our students the onus to shoulder great responsibilities & emerge as the successful leaders.
